The Lounging Gourmet has joined forces with Southern Wine & Spirits of California to launch the ELIXiR Collection, a new line of natural, floral-infused nonalcoholic elixirs. This unique line of ELIXiRS represents the evolution in mixology from fruit to flowers and other exotic flavors.

ATTENTION MIXOLOGISTS!

The ELIXiRS have recently been awarded both a Silver and Bronze Award at the 2011 Los Angeles International Wine and Spirits Competition. The Damascus Rose Elixir won the Silver Award and Antillean Hibiscus took the Bronze Award in the Mixers Category.

The ELIXiRS are made from pure, natural and organic floral extracts sourced from around the world. With a hint of natural sweetness and a light aromatic bouquet, they possess exceptional smoothness and hints of fruit undertones to add complexity—and make them bloom on the palate. You need to use only a dash to transform a food or beverage, and each serving is only 20 calories.

The LoungingGourmet founder Nora Egger Egger personally developed the recipe for each elixir and supervises each batch of products herself. The elixirs come in elegant 9-oz. or 17.5 oz. glass bottles and should retail in the range of \$16.00 to \$18.00 for the 9-oz. bottle and \$21.00 to \$24.00 for the 17.5-oz bottle at finer liquor stores and gourmet food shops.
