

# DAMMANN FRÈRES TEAS

## BEAUTIFULLY PACKAGED, ELEGANTLY PRESENTED

Damman's beautiful tea bags may be displayed in a superb wooden presentation box available to the California on-sale market exclusively from Southern Wine & Spirits. The tea bags come hermetically wrapped to keep their aromas and flavors intact. The box holds 48 individually wrapped tea bags.

### About Dammann teas:

- The Dammann brand was founded in 1925 by brothers Robert and Pierre Dammann. Dammann Frères is dedicated to offering the highest quality tea possible.
- Dammann developed a fine mesh sachet that looks beautiful in the cup.
- The fine grind and transparency of the sachet allows teas to be conditioned like loose tea, steeping in the cup without constraint.

### Dammann tea selections available from Southern Wine & Spirits:

**Breakfast**  
Ceylon and India teas with small leaves. Full bodied.

**Goût Russe**  
A captivating blend of teas from China with citrus flavors.

**Camomille**  
From the small, white flower. A mild, floral taste with a slight bitter aftertaste.

**Jardin Bleu**
