

FEVER-TREE

Fever-Tree premium mixers: Bringing out the best in spirits

Fever-Tree mixers are made with the best natural ingredients available: subtle and supportive botanical flavors, natural juices, soft spring water, and cane sugar. Only the highest quality quinine from the original Peruvian fever trees is used in the Tonic Water and Bitter Lemon.

- Blended to enhance the enjoyment of great spirits.
- No artificial colors, sweeteners, flavorings or preservatives.
- Artisan-crafted in single serving, recyclable glass bottles to ensure freshness and fizz. High carbonation aids in delivering subtle botanical aromas.
