

Jose Cuervo PLATINO

Ultra Premium Cuervo

Introducing Jose Cuervo Platino, an ultra-premium addition to the Jose Cuervo Tequila portfolio, the bestselling brand family in the tequila category. Inspired by over 200 years of Cuervo family heritage and experience, Platino is a versatile silver tequila with light, herbaceous aromas giving way to hints of vanilla and oak. It is best enjoyed neat or on the rocks or in high-end margaritas and other tequila cocktails. The ultra-premium status of Jose Cuervo Platino is reflected in every detail of its packaging. The blue glass bottle features a wax seal and ribbon, cork-finished closure, and hand-signed number and signature. The bottle is presented in a handcrafted wooden box. Platino may be purchased from your Pacific Wine & Spirits sales representative.
