MERLOT

MOOD:

Dynamic

CHARACTER:

Rich like a black-currant cobbler, our Merlot contains a savory array of ripe plum and blackberry aromas mixed with hints of mint and licorice, giving way to a soft, dark finish fit for a king.

ORIENTATION:

Marinara sauces, filet mignon, roasted veal and chocolate.

HERITAGE:

The sun drenched hills of Southern France.

STOCK:

An elegant combination of handpicked and machine-harvested grapes taken at their optimal flavor ripeness, then cold soaked, and put through a temperature-controlled fermentation process to ensure maximum quality and fruit extraction. After undergoing malolactic fermentation, the wine begins four essential months of aging in stainless steel tanks enhanced with the addition of wood chips; a dark, luscious infusion is formed.
